

Girls Travel Basketball Tryouts

For Bridgewater Recreation Travel Teams

Expectations: Girls in Grades 3 - 8 that are interested in trying out for Bridgewater Recreation's Travel Basketball League must be committed; players should be sure that their travel team takes priority over other teams. You should make every effort to attend each tryout scheduled.

Practice/Games: Practice is essential to a team's success and every practice should be attended as scheduled. You should plan on at least two practices and at least one game each week. There will be approximately 14 games in the season including playoffs. Games can be during the week and/or weekends.

Important! Travel sports are competitive and we have tryouts in order to form the best team possible. Having participated on a travel team in the past does not guarantee that your child will make a travel team again this year.
